

BLOOMSBURY COLLECTIONS

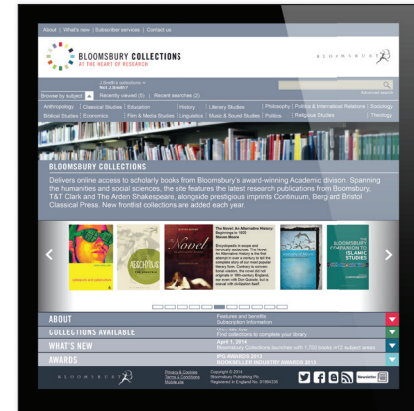

AT THE HEART OF RESEARCH™

“Librarians who know their community will be able to add valuable editions to their ebook collection using this resource.” – *Library Journal*

Bloomsbury Collections delivers instant access to quality research and provides libraries with a flexible way to build eBook collections across the humanities and social sciences.

With over 5,000 titles Bloomsbury Collections features content from the latest research publications, and over a 100 year legacy including Continuum, T&T Clark, Bristol Classical Press, Berg, The Arden Shakespeare, and the recently acquired Hart Publishing.

- Unlimited access via IP authentication and other standard access methods
- MARC records; DOI at book and chapter level; usage stats including COUNTER 4
